

Langley City Restaurant Options Take out and Delivery

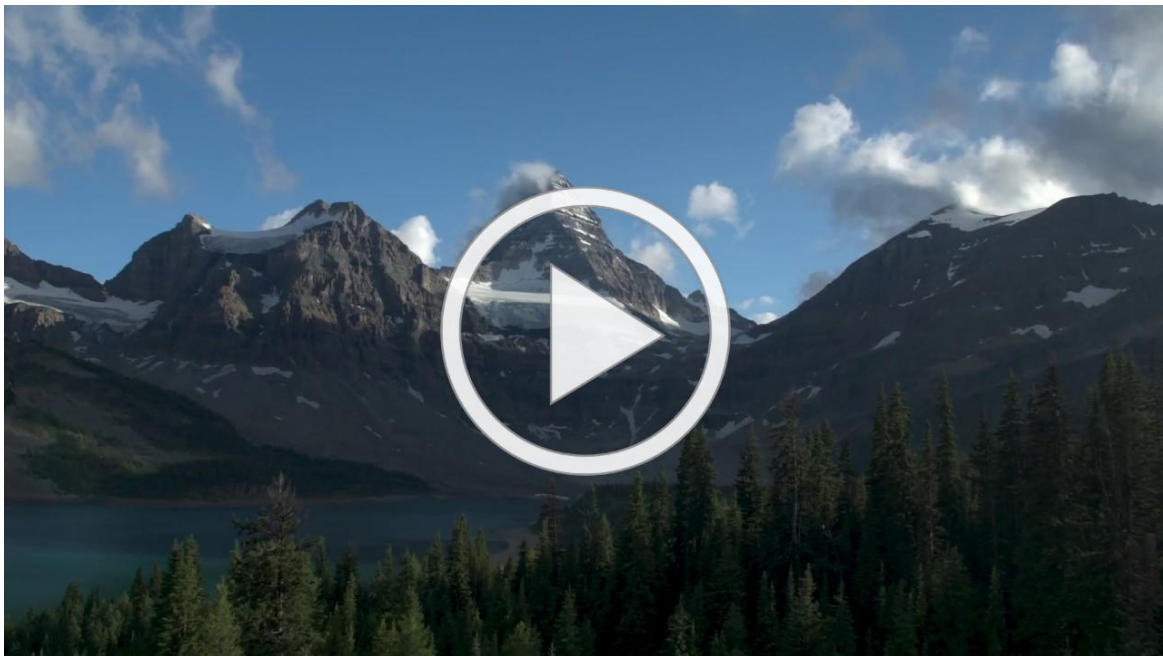

It is so important to support local restaurants right now (more than ever!).

We have created a list of restaurants in Langley City that are open for business.

We encourage everyone to take advantage of the take out / delivery options as much as you can to help support locally owned restaurants.

Please click the link for copy of the list: [Langley City Take Out and Delivery Options](#)

Destinations BC Video

For now we pause, stay in, and dream of later. The more we do today, the sooner we can all [#exploreBC](#) again.

This video was created from existing footage and with a remotely recorded voice over, to support physical distancing.

Follow us on Social Media

We are sharing stories and moments to inspire our visitors and help give everyone inspiration in their social media feeds. We can't wait to welcome you back to our beautiful city.

Dream now...#ExploreBCLater
